Summary: My first poem. This is in Matt's P.O.V. and these are his thoughts towards his life. Okay, I admit it. I was majorly depressed when I wrote this and I just wanted to express my anger, but I truly thinks that Matt feels the same way so it works. R&R plz!

My Miserable Life

Misery
>
I cry and cry but no one cares
>I REALLY think that life's not fair.
How people always make fun of you
>And how things never manage to pull smoothly through.
>I hate being me and I wish I could change
And be someone else in any age range.
>But I know that I have to live this pathetic life,
And suffer and suffer before I can cut myself with a knife.
>
Or hang myself from a rope and suffocate
>Or just poison myself and make things less complicate.
Maybe I can just die in my sleep,
>Then I won't ever have to think about anything too deep.
>No one knows how I feel right now,
So please, someone just tell me how
>How can I live this miserable life I live
And in the end can still believe.
>That there's hope in this world.
And angels that shine like diamonds and pearls.
>
Oh tell me, somebody,
>How can I fly towards heaven and end the life of this nobody.
